Peter, Tracy, and Fern,

Rep. Schraa would like to have a bill drafted as soon as possible. I left a message for Peter, but I don't know which one of you handles this area.

Rep. Schraa would like to draft a bill to require DPI to hold three additional public hearings on the college and career readiness standards, with the requirements that the hearings are on three different days with no more than one hearing in a seven day period, with at least one hearing going until 8 p.m. and all hearings no less than 3 hours in length.

Here's the budget language:

2013 Wisconsin Act 20 s. 9134 - continued

d. The department conducts at least three public hearings regarding the adoption of college and career readiness standards at which the information described in this subdivision is presented and public testimony is received.

Thank you,

Brandon

## Analysis

Current law directs the Department of Public Instruction <sup>(DPI)</sup> to adopt college and career readiness standards by July 1, 2014. DPI may not adopt the standards, however, until it conducts at least 3 public hearings.

This bill requires DPI to conduct at least 6 public hearings <sup>(SP)</sup> regarding the adoption of college and career readiness standards. The last 3 <sup>(SP)</sup> hearings must be held on 3 different days and must each be at least 3 hours long, <sup>(SP)</sup> with no more than one hearing in any 7-day period and at least one
